Coucou ! Les nombres

A lift-the-flap booklet for families and educators

Make the booklet

Pages 1·10 follow the numbers un to dix. Each page includes its matching flap.
Print single-sided on US Letter at 100%. Cut around each square card and flap, keeping the narrow tab. Fold the tab back along the dotted line.
Cover the birds with the flap and match the tree edges. Glue only the tab.
Let it dry, then stack the cards from 1 to 10.

Read together

Let the child choose a card and lift the leaves. Ask « Que vois-tu ? » and pause.
If they point to a bird, follow their finger: « Oui, un oiseau bleu ! »
If they show fingers or name the number, mirror their gesture and say it in French.
When they want to count, touch one bird for each number word.

Try the echo

On the website, choose the same number and lift the flap to hear it.
Leave a little silence for a sound, a gesture or a look. Let the child choose whether to hear it again.
